Student Tuition Recovery Fund Disclosures

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California, 95834, (916) 574-8900 or (888) 370-7589. To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following: 1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau. 2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued. 3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure. 4. The institution has been ordered to pay a refund by the Bureau but has failed to do so. 5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs. 6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution. 7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Financing

Financing is available to qualifying students through Federal and State funded programs such as Federal grants and loans, Veterans Benefits for eligible students in approved programs, and Vocational Rehabilitation for qualifying individuals with handicaps.

Method and Terms of Payment

All students are asked to make a minimum $50.00 payment each month towards their education in addition to any Title IV Funds they may be eligible for; students and/or parents may be required to prove creditworthiness via a school approved credit check. A fee for this credit check will be assessed and is payable in advance. Students may not be accepted for enrollment if they cannot prove creditworthiness. If the student does not acquire eligibility for Title IV Funds all tuition will be due and payable immediately, or the school as a method of payment may approve an arrangement for an Institutional Finance Plan. If the school approves monthly payments, the student account is due and payable in accordance with the terms of the Institutional Finance Plan, including any late payment charges, if incurred. The student will be responsible for payment of any unpaid portion of tuition not covered by Title IV Funds. The student may be suspended until payment has been received. Method: check, money order or credit card (3% credit card fee, no cash accepted for tuition fees).

Students Right to Cancel

1. A student has the right to cancel his or her enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the **seven day** after enrollment, whichever is later. Business day means a day on which the student is scheduled to attend a class session. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a refund for the part of the course not taken.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: Hinton Barber and Beauty College 1035 Tennessee St., Vallejo, CA. This can be done by mail or hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with the proper postage

Each student will be given two Notice of Cancellation forms to use upon enrollment, but any written notice may be used.

- Satisfactory:
  - Title IV SAP: 75% GPA and 67% attendance.
  - Institutional SAP: 75% GPA and 75% attendance

NOTE: Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance for the month will be added to attendance from the preceding months to determine whether the student will complete the course within the maximum time frame established in this policy. Students meeting minimum requirements at evaluation will be considered to be making satisfactory progress until the next scheduled evaluation. In order for a student to be considered making satisfactory progress, he or she must meet both attendance and academic minimum requirements on all evaluation points of the program. Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

SAP Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. The institution will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may receive a successful appeal before he/she can be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds. Students who do not achieve the minimum standards are no longer eligible for Title IV funds unless students are on warning or have prevailed upon appeal of the determination that has resulted in the status of probation.

Probation

If granted probation the institution will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may receive a successful appeal before he/she can be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds. Students who do not achieve the minimum standards are no longer eligible for Title IV funds unless students are on warning or have prevailed upon appeal of the determination that has resulted in the status of probation.

Appeal Process

If a student is determined to not be making satisfactory progress, the student may appeal the determination. The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be reversed. The student may appeal the result on the basis of: his injury or illness, the death of a relative, or other special circumstances. The student's appeal must explain why they failed to make satisfactory progress and what has changed in his situation that will allow them to make satisfactory progress at the next evaluation. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Leaves of Absence

Occasionally, students may experience extended personal or medical problems, which make it difficult for them to attend their classes. The School may allow a student experiencing such circumstances to take a Leave of Absence (LOA) from their program. The School Director must pre approve all LOAs, and students must submit their requests to the School Director in writing. A student's request for a LOA is required in advance unless unforeseen circumstances prevent the student from doing so. (_____, student signature of understanding of request requirements). The institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if:

a) The institution documents the reason for its decision
b) The institution collects the request from the student at a later date; and
c) The institution establishes the start date of the approved LOA as the first date the student was unable to attend.

The written request for an LOA must include the student's reason, starting and ending date of the LOA and student's signature. A student granted a LOA in accordance with the institution's policy is not considered to have withdrawn and that no refund calculation is required at that time. An addendum to the enrollment agreement with all dates of the LOA and updated graduation date signed by the Hinton staff and students taking the leave. A student is eligible for one leave of absence during their term of enrollment at Hinton. In the event of extenuating circumstances, the School Director has the discretion to grant an additional LOA. The minimum length of an LOA is 14 days; an LOA will not be granted during a student's first 20% of the hours in a student's program of study. Any approved LOA will be granted in accordance with the Federal guidelines for Leaves of Absence, which states that an LOA will not exceed 180 days in a twelve-month period. A LOA will not be granted to an active student who exceeded or surpassed the 100% point of scheduled hours of their program. Students will not be assessed additional tuition charges while on their LOA. The student enrollment contract will be extended and the maximum time frame for the same number of calendar days taken in the LOA. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the same SAP status they held prior to their LOA. Students returning from an LOA must coordinate their return with the office manager (Registrar). There will be a reasonable expectation that the student will return from the LOA. Students who fail to return from an LOA on their scheduled return date will be terminated. The withdrawal date for the purpose of calculating a refund is always the student's last date of attendance.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. There will be a reasonable expectation that the student will return from the LOA. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal in addition to the Admission requirements. Students who would like to apply for re-enrollment must have a zero balance, fill out the Reinstatement application for review and consideration of re-enrollment. The withdrawal date for the purpose of calculating a refund is always the student's last date of attendance.

Withdrawals

Any student who withdraws from his or her contracted course or fails to complete his or her training will have a notice placed in his or her student file as to progress at the point of withdrawal. A student making satisfactory progress at the point of withdrawal may apply for re-enrollment in the school and will be considered to be making satisfactory progress at the point of re-entry. A student failing to meet minimum satisfactory requirements at the point of withdrawal will re-enter in the same satisfactory academic progress status as at the time of withdrawal.

Course Incomplete/ Repetitions and Non-Credit Remedial Program:

Course incomplete, repetitions, and non-credit remedial courses have no effect upon a student's satisfactory progress status in this school.

Policy Relating To Absences

The student is required to attend the agreed schedule. Failure for any reason to complete the course within the maximum time is grounds for dismissal. The maximum time a student has to complete is *150%* of the program length. In all cases, all schoolwork must be completed.

Extra Instructional "Overage" Fees

Overage fees will be calculated based on a student's attendance at the time of graduation. If a student's actual attendance results in a completion rate of less than 75% of the scheduled hours, overage fees will be charged at the current rate of tuition per hour, based on the program. The specifics are as follows:

- **Barbering & Cosmetology Courses (1000 hours):**

Students are required to complete the full 1000 actual hours to graduate. If a student's attendance rate falls below 75%, the scheduled contract hours will exceed **1333 hours** (calculated as 1000 actual hours ÷ 0.75). In such cases, the student will incur overage fees for each additional scheduled hour beyond the **1333-hour cap** needed to reach full program completion. These fees will be calculated and charged at the time of graduation.

- **Cosmetology Crossover to Barbering Course (400 hours):**

Students must complete the full 400 actual hours to graduate. If a student's actual attendance is below 75%, the scheduled contract hours will exceed **533 hours** (calculated as 400 actual hours ÷ 0.75). In this case, the student will incur overage fees for each additional hour required beyond the **533 scheduled hour cap** needed to reach full program completion. These fees will be calculated and charged at the time of graduation.

- **Master Educator Course (600 hours):**

Students are required to complete all 600 actual hours to graduate. If a student's attendance rate falls below 75%, the scheduled contract hours will exceed **800 hours** (calculated as 600 actual hours ÷ 0.75). In this case, the student will incur overage fees for each additional scheduled hour beyond the **800-hour cap** needed to reach full program completion. These fees will be calculated and charged at the time of graduation.

Payment and Certification Process

- **Overage Fee Calculation and Payment:**

Overage fees will be calculated at the time of graduation based on any additional hours required to reach the full program completion due to attendance falling below 75%. The total overage fee must be paid in full before the school will submit the Proof of Training to the California Barbering and Cosmetology Board for scheduling the student's test date.

- **Consequences of Non-Payment:**

If overage fees are not paid in full, the student's Proof of Training will not be sent to the Board, delaying the student's ability to schedule their examination.

Overage fees will be calculated at the time of graduation for each designated program:

- **Barber & Cosmetology Program:** 1,000 actual hours with a scheduled hour cap of **1,333 hours**
- **Cosmetology Crossover to Barbering Program:** 400 actual hours with a scheduled hour cap of **533 hours**
- **Master Educator Program:** 600 actual hours with a scheduled hour cap of **800 hours**

If a student's attendance falls below 75% and they exceed the scheduled hour cap for their program, overage fees will be assessed. The total overage fee must be paid in full before the school can submit the Proof of Training to the California Barbering and Cosmetology Board to schedule the student's test date.

Evaluating The Validity Of High School Diplomas

Regulation 34 CFR 668.16 (p) requires Title IV schools to establish policies and procedures to confirm the authenticity of high school diplomas in the event that the school or the Secretary of the U.S. Department of Education has reason to question the validity of a student's high school diploma. Hinton Barber and Beauty College may require further documentation in the form of a certified copy of final high school transcripts for the high school in question or information from a company that evaluates foreign diplomas (in the case of a foreign diploma). Student self-certification is not considered sufficient proof of validity. In addition to checking online for further information about the school issuing the diploma and its accreditation, the school may also contact the Department of Education in the state in which the diploma was issued to determine if the school listed on the diploma is on the state list of recognized schools. The school maintains a list of known diploma mills for the admissions staff to check when receiving a diploma from an unknown and questionable source. It is understood that this list may not be all inclusive as there are hundreds of diploma mills some known and some not currently known. It is also understood that the list of schools in the FAFSA drop down box online also may not be all inclusive. The school makes every reasonable effort to verify the validity of questionable high school diplomas.

Cost Of Attendance Budgets (Coa)

In order to determine a student's level of loan funding, the Department of Education requires us to develop annual cost of attendance budgets. These budgets include an average allowance for room & board, transportation, miscellaneous, loan fees and, if applicable, child care and expenses related to disability. The following are standard **monthly** indirect cost allowances that make up the cost of attendance budgets for the year. Tuition, Kit, Books and Fees must be added to these as applicable for a total COA Budget.

Living at home with parents:

Room & Board	Transportation	Miscellaneous	Other	Total

$377.00	$176.50	$176.50	Case by Case	$730.00

Living away from home:

Room & Board	Transportation	Miscellaneous	Other	Total
$1,030.00	$580.00	$580.00	Case by Case	$2,190.00

Federal Assistance Programs

The school is approved as an eligible institution by the U. S. Department of Education to participate in Title IV grant and loan programs. The packaging of financial assistance is determined according to guidelines set by the US Department of Education. A variety of programs are available for students qualifying for assistance:

Federal Grants:

Federal Pell Grant: Intended to be the basis of the financial aid package and may be combined with other aid to meet the full cost of attendance. The Federal Pell Grant is a need based aid program in which an eligible recipient does not have to repay the funds received.

Federal Student Educational Opportunity Grant (SEOG): An additional grant available only to Pell eligible students who meet the schools predetermined criteria. 75% of the award is contributed by the Federal Government and the other 25% is contributed by the school.

Federal Direct Loan Program:

These are low interest loans for undergraduate and graduate students that are made available through the Federal Government. This program includes the Federal Direct Subsidized, Federal Direct Unsubsidized and Federal Direct Plus loans. There are grade level progressions and loan limits used for the administration of these loans.

The following Direct Loans are made through the William D. Ford Federal Direct Loan (Direct Loan) Program, which is administered by the U.S. Department of Education:

Federal Direct Subsidized Loan: This is a need-based-loan for which the Federal government subsidizes the interest until repayment begins and during any period of deferment. This is a loan and recipients must begin making payments at the end of their six-month grace period.

Federal Direct Unsubsidized Loan: This is a non-need-based loan for which the Federal Government does not pay the interest subsidy. Interest accrues during all periods. The recipient has the option to pay the interest or to defer payment of the interest for the grace period. This is known as capitalization. This is a loan and recipients must begin making payments at the end of their six-month grace period.

Federal Direct Plus Loan: This loan is available to parents of dependent undergraduate students to help pay for the cost of the dependent's education. Borrowers of PLUS Loans are required to undergo a credit check by the lending institution. The definition of a "parent" for PLUS Loan eligibility is a student's biological, adoptive or step-parent in the event that person's income would

have been taken into consideration when calculating the student's expected family contribution (EFC). Interest is charged during all periods.

Verification

Students selected by the U.S. Department of Education for the process of verification are frequently required to submit additional information and/or parents' financial & household information to the finance office. The verification procedures will be conducted as follows:

1. When selected by the U.S. Department of Education for the process of verification, the student must submit all required documentation to the finance office within 10 days from the date the student is notified that the additional documentation is needed for this process.
2. If the student does not provide all of the required documentation within the 10 day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.
3. The finance office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.
   The finance office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

Policy For Safeguarding Student Information

Hinton Barber and Beauty College is committed to implementing and maintaining a comprehensive information security program, to maintain and safeguard your nonpublic personal information against damage or loss. The policy covers all student records in whatever form (hard copy, electronic).

The school Owner/administrator shall be responsible to coordinate the school's information security program. The Director shall, at least once every 3 years, assess foreseeable internal and external risks to the security, confidentiality, and integrity of student information that could result in the unauthorized disclosure, misuse, alteration, destruction or other compromise of the information. The risk assessment shall cover every relevant area of school operations, including employee training & management, network & software design, information processing, storage, transmission and disposal, and ways to detect, prevent and respond to attacks, intrusions, or other system failures. The Director shall design and implement safeguards to control identified risks and shall monitor the effectiveness of them, recommending changes when warranted.

Records for prospective students who are not accepted or who do not enroll in the school will be held for 12 months then destroyed in a secure manner. Records of enrolled students shall be maintained in accordance with federal and state law and accreditation requirements. Students shall receive notice of this policy at the time they enroll.

Hinton Barber and Beauty College shall only enter into servicing agreements with service providers who also maintain appropriate safeguards for customers' non-public personal information.

Termination/Withdrawal

The school may terminate a student prior to the completion of their program for one or more of the following: 1) Insufficient academic progress. 2) Not fulfilling financial obligations to the school. 3) Failure to comply with the rules and regulations of the school. 4) Failure to comply with the Tardy/Attendance policy of the school. 5) Insubordination. 6) after 10 consecutive school days of absence or 7) in the case of a leave of absence on the documented date of return if the student does not return.

Return Of Title Iv Funds

Federal law specifies how a school must determine the amount of Title IV program assistance that a student earns if he/she withdraws from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Direct Student Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When a student withdraws during the payment period the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If the student received (or the school or parent received on the student's behalf) less assistance than the amount that the student earned, the student may be able to receive those additional funds. If the student received more assistance than he/she earned, the excess funds must be returned by the school and/or the student.

The amount of assistance that the student has earned is determined on a pro-rata basis. For example, if the student completed 30% of the scheduled hours in their payment period, the student earns 30% of the assistance he/she was originally scheduled to receive. Once the student has completed more than 60% of the scheduled hours in his/her payment period, the student earns all the assistance that he/she was scheduled to receive for that period.

If the student did not receive all of the funds that he/she earned, the student may be due a Post-withdrawal disbursement. If the Post-withdrawal disbursement includes loan funds, the school must get the student's permission before it can disburse them. The student may choose to decline some or all of the loan funds so that he/she doesn't incur additional debt. The school may automatically use all or a portion of the Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs the student's permission to use the Post-withdrawal grant disbursement for all other school charges. If the student does not give his/her permission (some schools ask for this when upon enrollment), the student will be offered the funds. However, it may be in the student's best interest to allow the school to keep the funds to reduce his/her debt at the school.

There are some Title IV funds that the student was scheduled to receive that cannot be disbursed to him/her upon withdrawal because of other eligibility requirements. For example, if the student is a first-time, first-year undergraduate student and has not completed the first 30 days of the program before withdrawal, the student will not receive any Direct loan funds that they would have received had they remained enrolled past the 30th day. If the student receives (or the school or parent receives on their behalf) excess Title IV program funds that must be returned, the school must return a portion of the excess equal to the lesser of: the institutional charges multiplied by the unearned percentage of the student's funds, or the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of the student's Title IV program funds. If the school is not required to return all of the excess funds, the student must return the remaining amount. Any loan funds that the student must return, he/she (or the parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, the student makes scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment that must be repaid is half of the grant funds the student received or was scheduled to receive. The student must make arrangements with the school or the Department of Education to return the unearned grant funds.

The Order Of Return Of Title Iv Funds:

The institution must return Title IV funds to the programs from which the student received aid during the payment or period of enrollment as applicable, in the following order, up to the net amount disbursed from each source:

- Unsubsidized Direct Loans
- Subsidized Direct Loans
- Federal Pell Grants for which a Return is required

The institution must return unearned funds for which it is responsible as soon as possible, but no later than 45 days from the determination of a student's withdrawal.

The requirements for Title IV program funds when a student withdraws are separate from any Institutional Refund Policy that the school may have. Therefore, the student may still owe funds to the school to cover unpaid institutional charges. The school may also charge for any Title IV program funds that the school was required to return. If a student has questions about his/her Title IV program funds, he/she can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.
